Inference ks2 worksheet

Name: _____

Making Inferences

Directions: Match each word to its antonym.

Peteley and Ralphie went exploring last Saturday. Peteley carried a net and a bag to put specimens in. Ralphie ran ahead and stuck his nose into a bush searching. Peteley followed behind bending to grab a small, red and black, winged critter. Peteley looked up, held out his hand, and decided to put on his wide brimmed hat and jacket. He tucked the specimen bag under his jacket so it wouldn't get wet.

When the sun came back out and the clouds moved away, Peteley and Ralphie sat down for lunch. Peteley had a ham sandwich, and Ralphie had a big, juicy steak bone. After lunch was finished, the boys trooped on home and observed their new pet. Later that day, the two played catch while the sun set. Summer was over, and Peteley had to get up early tomorrow.

1. What did Peteley and Ralphie go out to collect? _____
2. What kind of critter Peteley find? _____
3. Why did Peteley put on a hat and jacket? _____
4. What do you know about Ralphie? _____
5. Why do you think Peteley has to get up early? _____

What do you think might happen next?
